ALRIGHT, PLEASE INTRODUCE YOURSELF!
I'm the fifth ship of the Shiratsuyu class of destroyers, Harusame!
I'm kind of skilled at transport and escort missions. It's nice to meet everyone!

FOURTH SEA MINE SQUADRON

SHIRATSUYU-CLASS

OH, I SEE! SORRY.
Samidare was in Destroyer Division 2 with her, too!
Our uniforms may be different, but we're the Shirat-suyu class too

MURA-KUMO--CHAN!?
I know, right?
REALLY, HOW RUDE TO THINK THAT A DIFFERENT UNIFORM MEANS THEY'RE NOT FROM THE SAME CLASS!

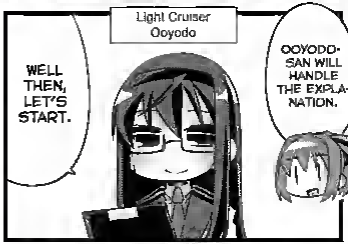
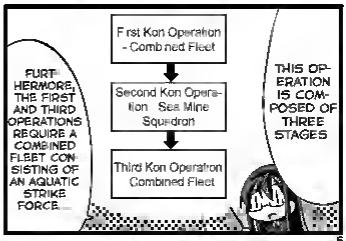
ARE THERE ANY QUESTIONS?
THE REQUIREMENTS FOR THE SECOND SEA MINE ESCORT SQUADRON ARE THE SAME AS BEFORE, SO WE'LL SKIP THAT EXPLANATION.

EXPLANATION!





First Kon Operation - Combined Fleet
Second Kon Operation - Sea Mine Squadron
Third Kon Operation - Combined Fleet
FURTHERMORE, THE FIRST AND THIRD OPERATIONS REQUIRE A COMBINED FLEET CONSISTING OF AN AQUATIC STRIKE FORCE.
THIS OPERATION IS COMPOSED OF THREE STAGES

OPERATION KON
KON
IT DOESN'T SEEM AS SERIOUS AS MI, THOUGH...
I'm getting nervous
AN-OTHER LARGE-SCALE OPERA-TION, HUH
HMM?
BY THE WAY, WHAT IS THE UPCOMING OPERATION NAME?
HUH? HARU-SAME--CHAN?
Huh?
I'VE ALWAYS BEEN USING IT, YOU KNOW ...?
6
Well...I think I left something behind? So I'm going back for it and
ARE YOU GOING OUT?
IF YOU NEED SOMETHING, JUST TELL HYUUGA-SENPAI
BUT YOU'VE ALWAYS BEEN SAYING "THIS" OPERA-TION...
Afterwards Amatsukaze-chan and Urakaze-chan found her lost on the prem-ises and towed her back
HARU-SAME--CHAN!?
ANY-THING BUT THE KON OP-ERA-TION!
SO IT'S AN ACTUAL NAME!
YES, THE "KON" OPERA-TION.

Note: Zombie Harusame is the boss of the second event operation and is probably the most similar looking one so far

Note: Operation Kon is the Japanese defensive operation on Biak Island, New Guinea in 1944. 今津 can have the same pronunciation if you couldn't tell
